MANPOWER

MANPOWER

About Us

It is our pleasure to introduce KKME as one of the leading Manpower hunt, Engineering and Management Consultancy Company managed and run by professionals who have extensive experience in catering to the manpower needs of companies in Europe, Singapore, the Middle East, for past 15 years.

Over the years we have served as a catalyst in bringing together career-seekers and career-sponsors. We have been instrumental in placing unskilled, semi skilled, skilled and highly skilled personnel in the construction, maintenance and trading sectors globally. Hard work teamed with professionalism results in total efficiency and superior skills which benefit our clients and candidates alike.

KKME was established with the aim to meet the ever-increasing demand of the Indian workers/staff for their better careers abroad.

We take full responsibility of technical personnel selected by us. We also provide assurance to our esteemed clients for maintaining the quality of our services and to keep up the confidence bestowed upon us from time to time. Over time, we have been successful in providing our services to well reputed and established companies in **Singapore, UK ,United Arab Emirates, Sultanate of Oman, Kingdom of Saudi Arabia, Bahrain, Kuwait, Jordan, Sudan, Congo, Libya, Iraq, Qatar, Madagascar, Equatorial Guinea and Zimbabwe, etc.**

We have license for overseas manpower recruitment from Govt. of India, Ministry of Overseas Indian Affairs (MOIA) to carry on the business of recruitment for deployment of indian workers with foreign employers.

Our resourcefulness, technical expertise, vast experience, wide network of resourcing outlet all over India and our professional approach has given impetus to our progress and reputation.

We have the necessary competency to get the jobs done on time and proficiently. Our modern recruitment techniques, resourcing abilities and up-to-date manpower data bank have helped us to keep pace with the immediate requirements of various companies.

KEY AREAS OF ACTIVITIES

A man in a dark suit is seen from behind, pointing at a large digital screen. The screen displays a world map with white lines connecting various points, representing a global network. Below the map, there is a bar chart with several vertical bars of varying heights. The entire scene is framed by a thick, curved border in shades of orange and yellow.
